Dear Mr. Tello:

**14289 EAST TELEGRAPH ROAD
ASSESSOR'S MAP BOOK NO. 8153, PAGE 14, PARCEL 900**

We have reviewed the "Notice of Improvement" form and a site plan submitted for your building permit applications on 14289 Telegraph Road. There are no right-of-way acquisitions or road improvements to be imposed under the provisions of the Zoning Ordinance for the construction of a youth center.

A permit from our Construction Division will be required for any improvements, including driveways within road right of way. It is suggested that the plans needed for obtaining the permit be submitted to Construction Division, Permits and Subdivisions Section, as soon as possible to allow the maximum time for processing and approval. Additional information regarding procedures and requirements may be obtained by contacting Mr. Ruben Cruz at (626) 458-4910.

Very truly yours,

JAMES A. NOYES
